

Michelle Frechette recognized as a finalist at the Women in Tech Global Awards 2025 Speaker of the Year

**WomenTech Network announced the finalists for the
Women in Tech Global Awards 2025 celebrating +150 000
women and allies in tech.**

[Rochester, NY - November 22, 2025] Michelle Frechette was recognized as a finalist at the largest virtual awards celebration in technology for women, minorities, and their allies, [Women in Tech Global Awards 2025](#) by WomenTech Network, on the world's largest community for [women in tech](#) with more than +13,000 ambassadors in 179 countries.

1760 contestants from 128 countries in 27 categories

This year's competition features an extraordinary **1,760 contestants** representing **128 countries** across **27 categories**, showcasing the global influence and reach of the Women in Tech Global Awards.

Michelle Frechette has been selected as a finalist in the category Speaker of the Year for presenting talks centered around women building their own personal brand for growth in their technology careers. The winners will be announced at the [Women in Tech Global Awards Ceremony](#) 2025 on December 4.

"This recognition as a finalist at the Women in Tech Global Awards 2025 is beyond thrilling," said Frechette. "This acknowledgment highlights my commitment to growth and inclusion within the tech industry, and I am proud to stand alongside so many remarkable leaders in this field."

In addition to honoring tech leaders, the celebration gives nominees, finalists, and guests access to inspiring keynotes by industry leaders, discussions, and opportunities to network virtually with people from all corners of the world.

At the celebration, WomenTech Network will shine a light on the most accomplished and inspiring female tech leaders, mentors, and rising stars from around the world.

"On behalf of WomenTech Network, I would like to congratulate Michelle Frechette and all of our 2025 finalists and nominees for their commitment to innovation, leadership, and creating meaningful impact across the tech industry and their communities. Your contributions exemplify the values of excellence, opportunity, and forward-thinking leadership that drive progress globally. We are honored to have you as part of our inspiring global network." Anna Radulovski, CEO & Founder, WomenTech Network

This celebration shines a spotlight on the innovators and change-makers who are not only advancing technology but also championing inclusion, driving the industry forward.

Some of the success stories from the winners and 700+ influential women in tech will be featured at the world-renowned [Women in Tech Global Conference 2026](#), one of the largest virtual conferences for women in tech and allies.
